CITY OF PASADENA

CONSTRUCTION & DEMOLITION (C&D) WASTE MANAGEMENT PLAN APPLICATION

Submit this form for approval prior to starting any construction or demolition or hauling any debris from the project site. Form may be submitted via email to recycle@cityofpasadena.net or via fax to 626-744-7085. A Performance Security Deposit & Administrative Review Fee are due at the time of permit issuance. For further information, please call 626-744-7175.

**Effective April 1st, 2014, City of Pasadena Municipal Code requires that at least 75% of waste generated from both construction and demolition be diverted from the landfill. Failure to submit this application for approval and to comply with any provision of the C&D Ordinance (PMC 8.62) may result in forfeiture of the performance security deposit.

BLD or DEM #:
Project Address:
Project Description:

TYPE OF PROJECT

- ☐ Demolition (any size)
- ☐ Residential Addition (any size)
- ☐ Tenant Improvement (1,000 sq. feet or more gross floor area)
- ☐ New Structure (120 sq. feet or more gross floor area)
- ☐ City Public Works Project and Competitive Bid Projects (any size)
- ☐ Residential Alteration or Remodel (any size)

PROJECT INFORMATION	
Project Address:	BLD or DEM#:

Estimated $ Valuation	Sq. footage of Demolition	Sq. footage of New Building	Demolition Start Date	Construction Start Date	Type of Construction (wood, concrete, other)

What is the scope of the project?

Will this project use subcontractors? Yes ☐ No ☐
If yes, please list their names, and explain how you plan to ensure that they are aware of the Construction & Demolition Waste Management Plan requirements.

Chapter 8.62 Waste Management Plan for certain construction and demolition projects within the City of Pasadena requires a minimum of 75% diversion of C&D debris. Briefly state how materials will be sorted for recycling, reuse, or salvage on the project site:

Please read and initial next to each of the following:	
	I understand that franchise haulers are required to provide job-specific diversion and disposal information. It will not be sufficient to submit a form or a letter that states “All waste hauled in the City of Pasadena is subject to 75% diversion.”
	I understand that the waste management plan agreed to herein will be monitored through regular site visits by a City recycling specialist to ensure compliance with the ordinance. The project applicant agrees to assist the City recycling specialist in having access to the site and to support the actions needed to monitor the projects’ compliance.
	I understand that the use of facilities not listed on the C&D Recycling Facilities page need prior approval.
	I agree to notify any and all persons involved in the project of the requirements of the Construction & Demolition Waste Management Plan.
	I understand that I am responsible for obtaining copies of any and all weight tickets from all haulers and all facilities which receive debris from this project.
	I understand that once the project is complete, a Final Compliance Report with weight tickets from receiving facilities must be filed. If I fail to file a Final Compliance Report verifying that the minimum recycling requirements for the project were met, my entire performance security deposit will be forfeited. No refund shall be authorized when the submittal date of the completed final report is beyond 180 days from the date a covered project has been completed.
	I understand that it is my responsibility to inform the haulers of my recycling plan, and my chosen recycling facility.

C&D DEBRIS ESTIMATES

CONSTRUCTION AND DEMOLITION WASTE MANAGEMENT PLAN ESTIMATES

On the table below, please estimate quantities for each type of material to be recycled or landfilled. Recycled means materials will be recycled on or off site, reused, or salvaged.

	Material Type (check all that apply)	Recycled In Tons	Landfilled In Tons
☐	Concrete		
☐	Dirt		
☐	Wood		
☐	Metal		
☐	Drywall		
☐	Cardboard		
☐	Mixed C&D		
☐	Other:		
☐	Other:		
Covered projects are required to recycle a minimum of 75% of C&D debris generated.		**Total Recycled=**	**Total Landfilled=**
		Total Combined=	
Percentage recycled (Total Recycled ÷ Total Combined × 100) =			

AUTHORIZED FRANCHISE HAULERS

Please note that the hauler you use must be a City Franchised Hauler. It is unlawful for any person to engage in the business of collecting, transporting, disposing, and/or recycling of solid waste kept, accumulated or produced in the city unless a franchise has been granted by the City of Pasadena. (PMC8.61.030) ***PLEASE SELECT THE AUTHORIZED HAULER(S).***

	DONATION CENTERS
	Habitat For Humanity Re-Store 5201 San Fernando Rd. West, Los Angeles, CA 90039 Phone Number: 818-550-7467. Store Hours: Mon. thru Sat. 9 am to 5 pm. *Clean wood; doors; windows; hardware; lighting fixtures; electrical, plumbing; sinks.*
	Gayle's Pasadena Architectural Salvage, 2600 E. Foothill Blvd., Pasadena CA, 91107 Email: pasarcsalvage@aol.com Phone: 626-535-9655. Store Hours: Mon. thru Sat. 9 am to 5 pm. *Architectural antiques are the emphasis at Pasadena Architectural Salvage. Recycling of beveled glass doors, stained glass windows, fluted columns and claw-footed bathtubs. Pasadena Architectural Salvage buys, sells, trades and accepts consignments.*

INERT MATERIAL
Inert material may be recycled if taken to a facility that will turn it into a reusable product or taken to an approved construction and demolition facility. Inert material sent to an inert landfill used as wash will not increase or decrease the overall recycling rate.
