

## *Supplemental Application for a* **General Plan Amendment**

Project Address \_\_\_\_\_ GPA # \_\_\_\_\_

A General Plan Amendment is a procedure to amend the text or the official Land Use Diagram of the adopted General Plan. State law provides that each mandatory General Plan Element (Land Use, Mobility, Housing, Conservation, Green Space, Noise, and Safety) may be amended no more than four times per year.

**SUBMITTAL REQUIREMENTS** - The submittal requirements for a General Plan Amendment (GPA) are listed on the *Submittal Requirements Checklist*. If other legislative entitlements are being sought at this time, they may be processed concurrently with this request. It is important to review the submittal requirements with a Planner to establish the specific materials necessary to submit with your application.

Please respond thoroughly to the directives below. Use additional sheets if necessary.

- 1) Describe how the General Plan Amendment would be consistent with the objectives and policies of the General Plan.
