Public Notice Regarding the Notice of Availability for the Glenarm Power Plant Repowering Project Draft Environmental Impact Report

A Notice of Availability (NOA) for the Glenarm Power Plant Repowering Project was mailed on behalf of the City of Pasadena at the beginning of August 2012. This notice was mailed in error. The City is continuing with the preparation of the Draft EIR. Once the Draft EIR is completed, a new NOA will be mailed with a 45-day public review period indicated on the notice. Web links to the full Draft EIR document will be provided on the City's Environmental Notice web page for electronic review. Reference copies will also be available at the Reference Desk at the Central Library and Pasadena Permit Center.

The City of Pasadena and Pasadena Water & Power apologize to our residents and customers for any inconvenience this mailing error may have caused.
