The Affordable Care Act:

Triumphs, Challenges,

and the Local Response

Thursday, September 19 2 — 3:30 p.m.
Central Library/DRW Auditorium

Thursday, October 24 7 — 8:30 p.m.
Central Library/DRW Auditorium

The Affordable Care Act (ACA) will have a major impact on how health care is delivered. Dr. Eric G. Walsh, Director and Public Health Officer for the City of Pasadena's Health Department will give some of the administration's reasoning for the law, some of the challenges that the law creates, and focus on what we will be doing here in Pasadena to help the law work best for our residents. He will be joined

by Steven Abramson, Marketing Manager, ChapCare who will discuss MediCal Expansion and Insurance Exchange; Rosalie Garcia, Executive Director, URDC Human Services Corporation who will address the need to provide health care service for those who do not qualify for insurance; and Mary Donnelly-Crocker, Executive Director of Young & Healthy who will review available community resources and assistance.
